

**PROTEX®**

# Product Brochure

## **THE WORLD'S NO.1 MANUFACTURER OF OVER CENTRE LATCHES**

Protex manufactures and supplies the world's largest standard range of overcentre fasteners, toggle latches and draw latches, quick-release bandclamps and spring-loaded handles.

The extensive range includes: quick-action, steel fastening devices (overcentre, toggle fasteners operated by lever), for draw latches, turn and panel latches, handles and case fittings. These varied products fulfil applications in over 50 industries (and as many export countries) demanding safety, security, ease of use, efficient plant maintenance and cleaning, high productivity, time savings and avoidance of manual strain. Some are unique, protected by patent and/or sold under registered trade names.

**Products designed  
and manufactured  
in the UK**

**Special variations  
and bespoke  
products available**

**State-of-the-art  
manufacturing and  
assembly facilities**
